### About the Collection:

The **Literary Classics eBook Collection** contains the full text of 800+ classic works featured in Bloom's Literary Canon—Professor Harold Bloom's unique and authoritative selection of the greatest literature of all time—including the essential works of the most important authors in world history and literature. Genres include poetry and plays, philosophical writings, novels and narrative nonfiction, and more. Each eBook was selected from the vast Project Gutenberg catalog of literature. This unparalleled collection is available on the Infobase eBooks platform and includes MARC records, notetaking and highlighting features, and the ability to download **Literary Classics** titles to handheld devices.
